

# One In A Million You

## John Fox

Love had played its games on me so long  
I started to believe I'd never find anyone  
Doubt had tried to convince me to give in  
Said you can't winBut one day the sun it came shinin' through  
The rain had stopped and the skies were blue  
And oh, what a revelation to see  
Someone was saying "I love you" to meA one in a million, chance of a lifetime  
And life showed compassion  
And sent to me a stroke of love called you  
A one in a million youI was a lonely man with empty arms to fill  
Then I found a piece of happiness to call my own  
And life is worth living, again  
For to love you, to me, is to liveA one in a million, chance of a lifetime  
And life showed compassion  
And sent to me, a stroke of love, called you  
A one in a million youA one in a million, chance of a lifetime  
And life, showed compassion  
And sent to me a stroke of love called you  
A one in a million you, a one in a million you
