Come to Me

Jack Bruce & Robin Trower

When your world looks like a wasteland
When the ice caps turn to steam
When your friends start acting crazy
Come to me
Why keep moving on to hopeless
Chasing what don't believe
I will bring you consolation
Come to me
Ain't no tangle situation
That cannot be undone
No man made aberration
That love won't overcome
When what you buy brings you no pleasure
When what you steal brings you no gain
When this old earth yields no more treasure
Bring me your pain
