Dopamine

Detorsion

I dont mind and I dont regret
And I wanted you to know
You will find and I hope you get
Everything you need to goIt wont fade away
It gets me through the day
And I am so alive
Ive told you, Ive told youIts the dopamine that gets me high
The dopamine connects me
Its the dopamine, I can rely
The dopamine reflects meEscalate to a better day
You can hear my soul refrain
Educate, its the only way
Feel the blood rush to my brainIt wont fade away
It gets me through the day
And I am so alive
Ive told you, Ive told youIts the dopamine that gets me high
The dopamine connects me
Its the dopamine, I can rely
The dopamine reflects meAnd if you ask me why I feel this way
I know just where Im going
And it is just because, I have no say
And theres no way of knowingIts the dopamine that gets me high
The dopamine connects me
Its the dopamine, I can rely
The dopamine reflects me
