

My Heart Is Broken

[Ryan Adams](#)

My heart is broken
My love is gone
I lay without you
Your pillow cold I am forsaken
I can't go on
My heart is broken
My love is gone Well, if I hadn't cheated
While you were gone
The well that we'd been drinking from
Wouldn't have dried and turned cold My days are empty
My nights are long
Five cups of coffee
For the years gone wrong Well, if I hadn't cheated
While you were gone
The well that we'd been drinking from
Wouldn't have dried and turned cold My days are empty
My nights are long
My heart is broken
My love is gone My heart is broken
My love is gone
