A Natural Man

The Lettermen

(g. goffin / c. king / j. wexler)Looking out on the morning rain
I used to feel so uninspired
But when I knew I had to face another long, long day
Girl I used to feel so tiredBefore the day I met you
Life had been so unkind
But you're the key to my peace of mind
'cause you made me feel, you made me feel
You made me feel like a natural manWhen my soul was in the lost and found
You came along to claim it
I didn't know, I didn't know just what was wrong with me
Till your kiss helped me to name it
Now I'm no longer doubtful of what I'm living for
But if I make you happy I don't need to do more
'cause you made me feel, you made me feel
You made me feel like a natural manOo baby, baby look what you have done to me
Can't you see that you made me feel so good inside
Don't you know that I just want to be
Close to you, you made me feel so alive
'cause you made me feel, you made me feel
You made me feel like a natural manBaby I ain't doubtful of what I'm living for
But if I make you happy I don't need to do more
'cause you made me feel, you made me feel
Well you made me feel like a natural man
