

# Carve Away The Stone

## Rush

You can roll that stone  
To the top of the hill  
Drag your ball and chain behind you You can carry that weight  
With an iron will  
Or let the pain remain behind you Chip away the stone  
Chip away the stone  
Make the burden lighter  
If you must roll that rock alone Chip away the stone  
Chip away the stone  
Make the burden lighter  
If you must roll that rock alone You can drive those wheels  
To the end of the road  
You will still find the past right behind you Try to deny  
The weight of the load  
Try to put the sins of the past night behind you Oooh, oooh  
Oooh, oooh Carve away the stone  
Carve away the stone  
Make a graven image  
With some features of your own Carve away the stone  
Carve away the stone  
Make a graven image  
With some features of your own You call roll the stone  
To the top of the hill  
You can carry that weight  
With an iron will You can drive those wheels  
To the end of the road  
You can try to deny  
The weight of the load Oooh, oooh  
Oooh, oooh Roll away the stone  
Roll away the stone  
If you could just move yours  
I could get working on my own Roll away the stone  
(Roll away the stone)  
Roll away the stone  
(Roll away the stone)  
If you could just move yours  
I could get working on my own  
(Roll away the stone)  
I could get working on my own

(Roll away the stone)  
Roll away the stoneOooh, oooh  
Oooh, oooh
