

Crossroads

Deitrick Haddon

Lady Life: I'm puttin you on the map right?

Deitrick: yea

Lady Life:

Yea, it's official, Pastor-D, Lady Life, we back

At the crossroads

What you gonna do?

Which half are you gonna choose?

Uh huh alright let's go

Deitrick:

[CHORUS 1:]

Where did you lose your faith?

And why did you walk away?

You gained the world

Was it worth your soul?

Now you're standing at the crossroads

Gonna be the day you gained the world

All the Benjamin's and girls

Bet you have everything in your hands

But what about the masters plans?

And of all the change and fame

You gave up your faith

Was it worth the sacrifice?

For you to lose your life?

Oh oh

[CHORUS 2:]

Take my hand

Let me lead the way

Won't you take my hand?

Let me lead you to a brighter day

A brighter day

I know you think nobody knows

That your standing at the crossroads

[CHORUS 1:]

Walking around empty inside

'cause the pain you're trying to hide

Deep down there's misery
And you think that he can't see
But God understands
Won't you take my hand?
You don't have to hurt no more
God is knocking at your door

[CHORUS 2:]

Lady Life:
Yea, ok, now
At some point we all come to these crossroads
I'm at these crossroads yea
Tryna make a decision
Contemplating my roles
Taking the way that I'm living
Steady repeating
'cause I'm really just tryna stay sane
Change ways haters want to send me
Straight to the grave
But I ain't havin it
I already made up my mind
I'm headed for the straight and narrow
Steady ready to grind
Ready to shine
'cause the life is back again
Ain't gonna be no suckers for suckers
Who are down for sin

END CHORUS
