Water

Thriven

Ladies and thugs
Please report to the dance floor
It's Ying Yang Twins and we're about to
Take over the game, game, game, game
Say 1, say 2, say you know what to do
We're gon' start the fun
We're gon' get it started
That's why we're the 2 Live Crew
Man, I hate when the club be dead
Ain't nobody dancin' 'cause they scared
Get your ass on the floor and dance
Why you came in the club, are you mad?
Drop the rhythm to the boogie of the beat
This ain't Miami but we bringin' all the Heat
The ATL is on the map
2 young playas, you know we gon' snap
Englewood, East Atlanta
World wide with this country grammar
Ying Yang Twins back again
'Bout to save your life like the Superfriends
Yep, we so hot, yeah
We so hot, yeah
We so hot, yeah
Somebody bring me water
We so hot, yeah, water
We so hot, yeah, water
We so hot, yeah
Somebody bring me water
I said boom, bang, tick, tock
The Ying Yang Twins, they known to beat the block
So when our shit drop
You know damn well the album gon' pop
They wish that we stop
We ain't said it now but our shit gon' pop

In the game, ain't a damn thing changed
Dance on the floor, get crunk, get your groove on
There's somebody hatin' that's when you bust a move on

You came in the club to have a good time
So crunk, you done cranked up a soul train line
Now everybody dance on the floor
Everybody watchin', wanna see sum more
So let yourself go, you in the club
