

# Black Gold

## Houndmouth

Oliver Asley Lane  
He was a quarter the way insane  
But he ain't to blame  
'Cause with a trust fund like that  
I'd be the sameHis father was the engine  
And his mother was the light  
She had a pension  
And valued money over time  
I used to see his sister  
Her name was Jenny Gasoline  
I used to see her picture  
On the cover of a dirty magazine  
But she looked best when she was mineSugar don't you worry  
Don't you shed a tear  
They've got enough black gold  
For another year  
We'll just have to wait and see  
If they've got enough  
If they've got enough  
For you and meThere's been an accident on  
23rd and Preston  
Someone got arrested  
And all them brokers  
They be broken in the park  
And all them liquids that they're choking on is dark  
Darker than a Georgia night with a heavy heart.Sugar don't you worry  
Don't you shed a tear  
They've got enough black gold  
For another year  
We'll just have to wait and see  
If they've got enough  
If they've got enough  
For you and  
Just bought some octane  
Cut my dollar in half  
You should try it out sometime  
Oh yeah  
There's nothing like going way too fast  
Way too fastSugar don't you worry

don't you shed a tear  
they've got enough black gold  
for another year  
well just have to wait and see  
if they've got enough  
they've got enough  
one more time  
they've got enough  
for you and me
