

# Undone and Sober

Reef

I am knocked over  
Undone and sober  
You can kill me  
Watch and kill me How will I pick myself up again  
You've shat on my best feeling  
I stopped and called on out to my friends  
And that's o.k. Call to my neighbour  
Can no-one find her  
She would save me  
Oh please help me
