

Running Wild in the Streets

W.A.S.P.

I'm looking to beat hell, looks like I've got to run to be the leader
As my forces yell, you can hear 'em, can't you hear them
All the way- we'll go the distance now
All the way- stand behind me now
All the way- no turning back
All the way cause we are together I'm standin' proud, we're screaming loud, I'll lead the crowd
Running wild in the streets A heavy dose of mean, yeah, I'm a lethal combination
Hear my forces scream, you can see them, can't you see them
All the way- we'll go the distance now
All the way- stand behind me now
All the way- no turning back
All the way we are together I'm standin' proud, we're screaming loud, I'll lead the crowd
Running wild in the streets
