Trick Bag

Bill Medley

Here we go
Personality walk, personality talk
Personality you got it
Loving on the eastside
Loving on the Westside too
Oh, I can tell by the way that you stare
There's more there than
What meets these two eyes, baby
And you'd like to have fun
But you're under the thumb of another lady like me
You're in a trick bag
And it's kind of a drag
You're in a trick bag
And it's kind of a drag
It's kind of a drag
Trick, trick bag
Trick, trick bag
Irresistible walk, irresistible talk
Irresistible hands on it
Loving on the weekends
Loving on the weekdays too
Oh, I can tell by the way that we met
There's more yet and it's all coming to the light
And you had it all timed, you know your heart and mine
As they beat double-time that night
I'm in your trick bag
And it's kind of a drag
I'm in your trick bag
And it's kind of a drag
It's kind of a drag
Trick, trick bag
Personality walk, personality talk
Trick, trick bag
Irresistible walk, irresistible talk
Kind of a drag when you're in a trick bag
And there's no way for you to get out
Didn't you know that I want to get out
Didn't you know that I want to get out
Out of your bag

It's kind of a drag in a trick bag, oh
Kind of a drag in a trick bag, oh
Kind of a drag when you're in a trick bag
Kind of a drag in a trick bag, oh
Kind of a drag in a trick bag, oh
Kind of a drag when you're in a
Trick, trick, trick, trick bag
Trick bag and it's kind of a drag
I'm in your trick bag and it's kind of a drag
It's kind of drag
You are the cat, you know you're the cat
Whenever you get in a fix
You reach inside your bag of tricks
Yes, you are the cat, you know you're the cat
Whenever you get in a fix
You reach inside your bag of tricks and trick
Trick bag
Tricks are for kids
Trick, trick bag
Trick, trick bag
Let the kitty out of the bag
Trick bag
Let the kitty out of the bag
Trick bag
Won't you let the kitty out of the bag
Trick bag
Trick bag
Trick bag
