

Son of a Bitch

Accept

You make the stars
Illusions and dreams
You're what you are
Do you know what I mean I hear you clear
See in your eyes
Lying to please
It pleases to lie You say, it's your way
You say we'll make it
Right to the top
Your bullshit gets me
What have you got I don't believe
A word you say
You make me laugh
Get outta my way You say, it's your way
Now listen to what I think of you Son of a bitch, kiss my ass
Son of a bitch
Son of a bitch, you asshole
Son of a bitch Cock suckin' motherfucker
I was right, take this, uh Son of a bitch, kiss my ass
Son of a bitch
Son of a bitch, you asshole
Son of a bitch Son of a bitch
