

Nothing Could Come Between Us

Theory of a Deadman

Well I'm running back and forth from here to South Carolina
Wishing you were here, I guess, I should watch what I wish for
 Hmm, you're right on time, so invite me in
 This is where your trouble begins
 But I like you better than the other ones
 You say, I'm right when you know I'm wrong
 We could never just get along
 Don't you hate when it gets stuck in your mouth
 And then those words get in the way
She said Nothing could come between us, no nothing, nothing
 One of those favorite things that she used to say
 That's just what she said
 Nothing could come between us, no nothing, nothing
Sorry to say but I don't feel the same You're so damn relentless, and you will find
 The two of us are like two of a kind
 But it hits you harder than the other ones
 And you said it loosely
 Hmm when I'm just sitting here with myself
 Don't you hate when it gets stuck in your mouth and then
 Those words get in the way
She said Nothing could come between us, no nothing, nothing
 One of those favorite things that she used to say
 That's just what she said
 Nothing could come between us, no nothing, nothing
 Sorry to say but I don't feel the same
Since home is where the hurt is It's on your conscience, I'm not for sale
 Hmm it's on your conscience, yea
 Well, not for sale Aaa
 Nothing could come, oh nothing could come
She said Nothing could come between us, no nothing, nothing
 One of those favorite things that she used to say
 Nothing could come between us, no nothing, nothing
 Sorry to say but I don't feel the same
 Since home is where the hurt is
 Oh nothing, oh nothing, oh nothing yea
 (It's on your conscience, I'm not for sale)
