Easy Baby

La Luz

Easy baby, hm, easy baby
Easy baby, won't you love me night and day?
You don't have to work all day, just to make love to me and say
Easy baby, hm, easy baby
Easy baby, will daddy love you night and day?
You don't have to treat me right, just kiss me baby and hold me tight
Easy baby, hm, easy baby
Easy baby, will daddy love you night and day?
