

Back Off

No Angels

Oh no, hold up, wait a minute
I dont know who you think youre talkin to
Drop that, drop that, stop that, stop that
I will never be what you want me to
I won`t, let you, put me, down noWhat makes you think I belong to you
Wake up, before I break up
Its InsanityIf you think for just a second that you own me
Think again cause I will never be your trophy
If youre lookin for a quickie then Im not the one to talk toChorus:
You better back off, back it up
I dont know what you heard
You better back off, back it up
Im not that type of girl
I would never let anyone control me
I will hold my fort down
So back offDont touch, hands off, step back, get lost
I dont believe in them tricks you pull on me
Eaze up, chill out, speak not, still now
Cant you see that youre talk is buggin me
Go ahead, make a, fool of ,yourself
I will never go home with youSlow down before it goes down
You cant handle meIf you think for just a second that you own me
Think again cause I will never be your trophy
If youre lookin for a quickie then Im not the one to talk toChorus:
You better back off, back it up
I dont know what you heard
You better back off, back it up
Im not that type of girl
I would never let anyone control me
I will hold my fort down
So back off(2 mal)
Watcha lookin at who youre talkin to
I dont want anything to do with you
Back it up,back it upIf you think for just a second that you own me
Think again cause I will never be your trophy
If youre lookin for a quickie then Im not the one to talk toChorus:
You better back off, back it up
I dont know what you heard
You better back off, back it up

Im not that type of girl
I would never let anyone control me
I will hold my fort down(4 mal)
Ill never be your property
No no no no
Youre blockin me, youre stoppin me
Yeah yeah yeah yeah
