Welcome To Paradise

Honeywagon & Cornbread Red

Dear mother, can you hear me whinin' ?
It's been three whole weeks since I, I have left your home
This sudden fear has left me tremblin'
'Cause now it seems that I am out here on my own
And I'm feelin' so alonePay attention to the cracked streets and the broken homes
Some call it slums some call it nice
I want to take you through a wasteland, I like to call my home
Welcome to paradiseA gunshot rings out at the station
Another urchin snaps and left dead on his ground
It makes me wonder why I'm still here
For some strange reason, it's now feelin' like my home
And I'm never gonna goPay attention to the cracked streets and the broken homes
Some call it slums some call it nice
I want to take you through a wasteland, I like to call my home
Welcome to paradiseDear mother, can you hear me laughin'
It's been six whole months since I, I have left your home
It makes me wonder why I'm still here
For some strange reason it's now feelin' like my home
And I'm never gonna goPay attention to the cracked streets and the broken homes
Some call it slums some call it nice
I want to take you through a wasteland, I like to call my home
Welcome to paradise, yeah paradise
