

How Do You Spell Channukkahh?

The LeeVees

Is it with a C or H
i am confused !
What about those N's and K's
Do you use one or two ?
I remember when i was
back in elementary school
a Spanish kid told me
that it was spelled with a silent J
but Julio was wrong
or maybe he was right
Can someone decide?
Make up your mind!

Check spellcheck
And Webster's
Is there an answer to my question?
Someone , please help me
Just tell me
How do you spell Channukkahh?

I was watching a spelling bee
On ESPN2
And these kids were spelling words
That don't come naturally to me or you
Like oligarchy, solipsism, bouillabaisse, epistemology, insouciant
Onomatopoeia, syllogism, perspicacious, hypothalamus
There were some other ones...
Hot dog!
No...antidisestablishmentarianism.
(Yeah, I like hot dog)
Well, I bet they would get stumped
If they had to spell Channukkaaahhhh

No one can tell
We don't mean to dwell
But how do you spell...?

Check spellcheck
And Webster's
Is there an answer to this question?

Someone please tell me
How do you spell...?
Ask teachers
Ask family
Nobody ever knows the answer !
Someone, please help me
Just tell me
How do you spell Channukkahh?

No one can tell
We don't mean to dwell
But how do you spell...?

Check spellcheck
And Webster's
Is there an answer to this question?
Won't someone
Please tell me
How do you spell...?
Ask teachers
Ask family
But nobody ever knows the answer
Someone,
Anyone,
Somebody!
How do you spell Channukkahh?
-end-
