

Boyce or Boice

Protomartyr

What have they wrought
From screen to self?
Electronic malfunctionThe strange opinions
From foreign lands
The tumbling waves of complaint
From lonesome menYou let them into our home
You let them into our home
You let them into our home
Boyce or Boice or
Old laptop ink cartridge
That dial-up smut
Your secret lovers
Exist as numbersYou let them into our home
You let them into our home
You let them into our home
Boyce or Boice orThey know our movements
They own our failures
Your brain in pocket
Eats it up
Destroy the gateway
Bind them up
Break the circuit
Cast them outBind them upRemove the fire from thine eyes
Please!
