

# Wild Abandon

## Marshall Crenshaw

Wild abandon, yes, wild abandon  
Grab hold of this sound  
While the room spins 'round in wild abandonWild abandon, yes, wild abandon  
Don't stare at the ceiling  
Feel this feeling of wild abandonRoll on, roll on in wild abandon  
I say in wild abandon  
Roll on, roll on in wild abandon  
In wild abandon, yeah, in wild abandonWell, I was minding my own  
Walking alone at the end of a Monday, a dreary old Monday  
Well, no moon hanging high in the cold gray sky  
I saw a light in a doorwayI walked on slowly and then I heard  
A screaming stomping sound  
Next thing I knew I was jumping aroundIn wild abandon, yes wild abandon  
I wanna smash through my cares  
And dance over chairs in wild abandonWild abandon, in wild abandon  
Now it's long overdue for me to rock with you  
In wild abandonRoll on, roll on, in wild abandon  
I say wild abandon, no, no  
Roll on, roll on, in wild abandon  
I mean total abandonNow I'm just minding my own  
Drinking alone in a dive on Broadway, dirty old Broadway  
Now I don't know about you, but I'm moved through and through  
By a backbeat pumping and a jukebox jumpingAnd when somebody played  
Whole lotta shaking goin' on  
I grabbed me a partner, we rocked 'til dawn in wild abandonWell, I was minding my own  
Walking alone at the end of a Monday, a same old Monday  
No moon hanging high in the cold gray sky  
I saw a light in a doorwayI walked on slowly and then I heard  
A screaming stomping sound  
Next thing I knew I was jumping aroundIn wild abandon, in wild abandon  
Grab hold of this sound  
While the room spins 'round in wild abandonWild abandon, wild abandon  
Now don't stare at the ceiling  
Feel this feeling of wild abandonRoll on, roll on, in wild abandon  
I say wild abandon  
Roll on, roll on, in wild abandon  
Yes, yes, wild abandon, now  
I mean total abandon  
I been wild abandon
