Before the Day (Sugar Shack Mix)

Titiyo

Before the day is over I'll be gone
And you'll have all the time in the world
To think it over
All the time in the worldBefore the day is over I'll be gone
And you'll have all the time in the world
To think it overSome say that time will heal
But time is moving so slow
With all other things that I feel
So at last I've let him goNow I can tell you that I've made up, made up my mind
No turning back all I need now
Peace of mind
All you've been giving me is empty love
I'll be gone, I'll be gone, and move on, oh yes I willBefore the day is over I'll be gone
And you'll have all the time in the world
To think it over
Before the day is over I'll be gone
And you'll have all the time in the worldNow that time had its way
And all that loving sense is gone
And only a fool would waste time staying
Well I'll use mine to move onNow I can tell you that I've made up, made up my mind
No turning back all I need now
Peace of mind
All you've been giving me is empty love
I'll be gone, I'll be gone, and move on, yes I willBefore the day is over I'll be gone
And you'll have all the time in the world
To think it over
Before the day is over I'll be gone
And you'll have all the time in the worldBefore the day is over I'll be gone
And you'll have all the time in the worldBefore the day is over I'll be gone
And you'll have all the time in the worldBefore the day is over I'll be gone
And you'll have all the time in the world
To think it over, all the time in the world
