Until Then

Kas Product

People ask
it doesnt make sense
they talk of revoltions
well i won't wait
A kiss kiss i know it feels right
you'll be leaving me
leave leave i know it seems right
you'll be leaving me
No Way
No Way
No Way
When I'm trying hard
To communicate
It just pulls me down
And I'm trying to see
What you mean to me
But it feels all wrong.
All you do is talk aloud.
I want to get it on all night.
All you do is talk aloud.
I want to get it on all night.
All you do is talk aloud.
I want to get it on all night.
All you do is talk aloud.
I want to get it on all night.

All you do is talk aloud.
I want to get it on all night.
All you do is talk
I want to get it on
When I'm trying hard
To communicate
It just pulls me down
And I'm trying to see
What you mean to me
But it feels all wrong.
It's only a matter of time
It's only a matter of time
It's only a matter of time

Until we break,
And you'll be gone
Until the rain fall starts
Until the lightning strikes your heart
I'll be waiting
I'll be searching on
I'll find you
I'll find you
I'll take you there
I'll be fine
I'll be fine
I,ll Until then
