War Zone

T-Rock

Yeah, one quick move, exploding flesh and brain
Then a little move from a bleeding heart
Suddenly flames burning through your eyes
Bullet meet skull, meet the end of your life, yeah
In the war zone
I stand alone
In the war zone
I die alone
Yeah, I spot a crack nearer on a jigsaw face
Blood and knuckles roar on a muzzle flash
Another day in hell and she's the same
The skull will punish all that will survive
In the war zone
I stand alone
In the war zone
I die alone
You can't see me
You can't stop me
You can't kill me
You can't see me
You can't stop me
You can't kill me
In the war zone
I stand alone
In the war zone
I die alone
You can't see me
You can't stop me
You can't kill me
You can't see me
You can't stop me
You can't kill me
