

Salvation Is Here

Lincoln Brewster

God above all the world in motion
God above all my hopes and fears
I don't care what the world throws at me now
It's gonna be alright. yeah!

Here the sound of the generations
Making loud our freedom song
All in all that the world will know your name

[Chorus]

Cause I know my God saved the day
And I know His Word never fails
And I know my God made a way for me
Salvation is here

God above all the world in motion
God above all my hopes and fears
I don't care what the world throws at me now
It's gonna be alright

Cause I know my God saved the day
And I know His Word never fails
And I know my God made a way for me
It's gonna be alright

Cause I know my God saved the day
And I know His Word never fails
And I know my God made a way for me
Salvation is here

Salvation is here
Salvation is here and He lives in me

Salvation is here
Salvation that died just to set me free

Salvation is here
Salvation is here and He lives in me

Salvation is here

Cause You are alive and You live in me

Salvation is here
Salvation is here and He lives in me

Salvation is here
Cause You are alive and You live in me

Cause I know my God saved the day
And I know His Word never fails
And I know my God made a way for me
It's gonna be alright
Cause I know my God saved the day
And I know His Word never fails
And I know my God made a way for me

Salvation is here
Salvation is here and He lives in me

Salvation is here
Cause You are alive and You live in me
