'cause Of Loving

Marbert Rocel

Is it cause you don't know what to do with yourself?
Or is it cause you don't know what to do with yourself, yourself.

Is it cause of lovin
Or is it cause of the rain
Is it cause of the lonely nights,
That talks in vain
Is it cause of the one nights stands
Or is it cause of my smile
Is it cause you differ
By the downing of supplies

Is it cause of a one nights dance
Or is it cause of my smile
Is it cause you differ
By the downing of supplies

Or is it cause you don't know what to do with yourself.
