

# Lolita

## Cheap Trick

You've got it Lolita  
Ooh-ooh, ooh, ooh-ooh  
You've got it Lolita  
Ooh-ooh, ooh, ooh-ooh  
Late at night I give all my loving to fly, honey babe  
Tonight, I will go out and paint the town  
My lady likes to play  
Down there by the shore  
She gets me out, make it want to roll  
You've got it Lolita  
Ooh-ooh, ooh, ooh-ooh (Yeah you've got it)  
You've got it Lolita  
Ooh-ooh, ooh, ooh-ooh Squeeze real tight  
I never have to beg now honey  
Lay me down tonight  
Down there by the shore  
My eye is sugar, baby want some more? You've got it Lolita  
Ooh-ooh, ooh, ooh-ooh (Yeah you've got it)  
You've got it Lolita  
Ooh-ooh, ooh, ooh-ooh (You know you've got it) You know you've got it  
Ooh-ooh, ooh, ooh-ooh  
Ooh-ooh, ooh, ooh-ooh  
You've got it Lolita  
Ooh-ooh, ooh, ooh-ooh (Yeah you've got it)  
You've got it Lolita  
Ooh-ooh, ooh, ooh-ooh (You know you've got it)  
You've got it Lolita  
You've got it Lolita  
You've got it Lolita  
You've got it Lolita
