

# When I Find My Life (Live "Blazing Away" Version)

## Marianne Faithfull

Oh, I will free the bird in me  
Oh, when I find my life.  
What I always knew could be  
Oh, when I find my life.  
I will see the truth in me  
Oh, when I find my life.  
Oh, when I find my life.  
I will let go the pain  
Oh, when I find my life.  
I will reach beyond the strain  
Oh, when I find my life.  
Fear of lost and fear of pain  
Oh, when I find my life.  
Oh, when I find my life. I remember all the games of shame  
And all the lies you told me.  
I have worked so hard to learn  
And flunked so far in my attempts to let it go by, dear. And it's so easy  
I just opened my eyes.  
And it's so hard  
To let go.  
Oh, I will free the bird in me  
Oh, when I find my life.  
I will be what I want to be  
Oh, when I find my life. I am here and I am free.  
Oh, when I find my life. [Repeats]
