What a Day

Poco

It's a good mornin' and I'm feelin' fine
Hey, it's such a lovely day
Smile, a frown would be pass
I wanna play
Oh, What A DayI've got to dream
I can't find a reason to care
And it seems
I hung all my thoughts in mid-air
Look over there
Oh, stop and stareIt's a good mornin' and I'm feelin' fine
What did you say?
It's a wonderful dayIt's a good mornin' and I'm feelin' fine
Hey, it's such a lovely day
Oh, smile, a frown would just be pass
I wanna play
Oh, What A Day
