

# What a Day

## Poco

It's a good mornin' and I'm feelin' fine  
Hey, it's such a lovely day  
Smile, a frown would be pass  
I wanna play  
Oh, What A Day I've got to dream  
I can't find a reason to care  
And it seems  
I hung all my thoughts in mid-air  
Look over there  
Oh, stop and stare It's a good mornin' and I'm feelin' fine  
What did you say?  
It's a wonderful day It's a good mornin' and I'm feelin' fine  
Hey, it's such a lovely day  
Oh, smile, a frown would just be pass  
I wanna play  
Oh, What A Day
