

# Stare At The Sun

## Thrice

I sit here clutching useless lists  
Keys for doors that don't exist  
I crack my teeth on pearls  
Tear into the history  
Show me what it means to me in this world  
Yeah in this world'Cause I am due for a miracle  
I'm waiting for a sign  
I'll stare straight into the sun  
And I won't close my eyes  
'Til I understand or go blind  
I see the parts but not the whole  
Study saints and scholars both  
But no perfect plan unfurls  
Do I trust my heart or just my mind?  
Why is truth so hard to find in this world?  
Yeah in this world'Cause I am due for a miracle  
I'm waiting for a sign  
I'll stare straight into the sun  
And I won't close my eyes  
'Til I understand or go blind I know that there's a point I missed  
A shrine or stone I haven't kissed  
A scar that never graced my wrist  
A mirror that hasn't met my fist  
But I can't help feeling like  
I'm due for a miracle  
I'm waiting for a sign  
I'll stare straight into the sun  
And I won't close my eyes Due for a miracle  
I'm waiting for a sign  
I'll stare straight into the sun  
And I won't close my eyes.
