Goodnight

Buffy Sainte-Marie

Sleepless nights don't bother me at all
If dawn comes I won't worry
Something deep inside keeps me awake
Wish that you were here right beside meRecall when I was very young
And could not go to sleep
My father sang me songs to make me tired
But memories don't make it easierSo goodnight
Wherever you are sleeping
And I hope that if you dream
You dream of meOh, goodnight
Wherever you are sleeping
And I hope that if you dream
You dream of meNow I lie awake and it's no fun
Tossing and turning
I'd call you if it weren't so very late
But telephones don't bring you close to meI recall the times we stayed up late
Wide awake but still dreaming
There was nothing on this earth could make me tired
But memories don't make it easierSo goodnight
Wherever you are sleeping
And I hope that if you dream
You dream of meGoodnight
Wherever you are sleeping
And I hope that if you dream
You dream of me
