O

Omarion

Ooh, oh, let me tell you girl
Ohh, hey, here I go, here I goI know you heard me sayin' time and time again
But they would rock your world and change your life
But I can't blame'em 'cuz you make a nigga
Wanna get involved, wanna get them drawlsWell I'm gon' put my bid in to get at you
No disrespect but I want it bad as they do
The only difference is they look out for themselves
But I'm doin' it just to hear you yell, yeahO, that's gonna be the sound
Girl when it's goin' down your body's sayin'
O, don't have to say my name
Girl, I'm just glad you came so you can sayO, in the mornin', O, in the night
You sayin' O means O is hittin' it right
O, O, O, you can't get mad at me
I'm just aimin' to please, let me hear you scream OGirl, come on over and let's get this thing crackin'
You'll be surprised when you see what O is packin'
'Cuz I'm young but I'm ready tryna get hot and heavy
Tell you girl if you let me inGirl, I'ma take you somewhere that you never been
Show you some thing's that'll make you wanna show your friends
Have you so weak that you can't even say a thang but that's okay
All you gotta sayO, that's gonna be the sound
Girl when it's goin' down your body's sayin'
O, don't have to say my name
Girl, I'm just glad you came so you can sayO, in the mornin', O, in the night
You sayin' O means O is hittin' it right
O, O, O, you can't get mad at me
I'm just aimin' to please, let me hear you scream OO is for that overtime I'm puttin' in
We'll go for hours, take a break and go at it again
Girl, I work my way from A all the way to Z
But just where baby girl O is where you wanna beNow believe me when I tell you, I'm not tryna tell you what to do
'Cuz when it's said and done the choice ain't mine it's really up to you
Just say yes don't fix your mouth to tell me no
Trust me trust me trust me and yust say OO, that's gonna be the sound
Girl when it's goin' down your body's sayin'
O, don't have to say my name
Girl, I'm just glad you came so you can sayO, in the mornin', O, in the night
You sayin' O means O is hittin' it right
O, O, O, you can't get mad at me
I'm just aimin' to please, let me hear you scream OLet me hear you way O when I'm hittin' it

Let me hear you way O when I'm hittin' it
O, O, O, O, O
Let me hear you say O when it comes and go
Let me hear you say O from the backNow somebody say my name
Let me hear you say O when the sun goes down
Let me hear you say O when you can't make another sound
Now scream, baby, girl let me hear you scream O
Baby, girl let me hear you scream O, O, O
Yeah, that's how you do it girl, just like that O, O
