Stay In Luv

QUARTERBACKS

when i fell in love
i wrote a song every week
then i stayed in love
and it was like i fell asleep
the silence was so perfect
i didn't want to speakthen i woke up
and your absence
begged for sound
and i tried to find a way
to fill the emptiness i'd found
but at first
i could only whisper
but then the murmur
got louder
i can't seem to stay in love
i can't seem to stay in love
i can't seem to stay in love
i guess my heart
just beats too fast
or whatever
