Thursday (Acoustic) [Bonus Track]

Asobi Seksu

On gentle ground
I waited for you
In drops of dew
I wished that were youWith heavy hands
I reached out for you
My skin soaking wet
My eyes searched for youIt seems you lost your way
You've let it all fall apart
Nothing's left here but you
All you do is remind meNow that we've lost our way
The rest can all fall apart
All I see here is you
All it does is remind meWith sharpened tongue
I cried out for you
And must I refrain
Now that I need youThe autumn wind feels
As if it were you
And swayed through the fields
Where I once held youIt seems you lost your way
You've let it all fall apart
Nothing's left here but you
All you do is remind meNow that we've lost our way
The rest can all fall apart
All I see here is you
All it does is remind meWhistle through your window
We act the same as you
Whistle through your window
We act the same as you
