Perfect

Smashing Pumpkins

I know We're just like old friends We just can't pretend That lovers make amendsWe are reasons so unreal We can't help but feel That something has been lostBut please You know you're just like me Next time I promise we'll be perfect Perfect PerfectStrangers down the line Lovers out of time, memories unwind So far, I still know who you are But now I wonder who I wasAngel, you know it's not the end We'll always be good friends The letters have been sent onSo please You always were so free You'll see, I promise we'll be perfect PerfectStrangers when we meet Strangers on the street Lovers while we sleepPerfect You know this has to be We always were so free We promised that we'd be Perfect Perfect Perfect
