Gettin' It On

Mint Condition

Gettin' it on, gettin' it on, oh babyOh, I like it, when I'm deep inside of you

You sigh 'cause you feel the same way

Too excited, when I touch you there

Let the love take control

Of mind, body and soul, yeahGettin' it on, gettin' it on

A feeling that's good just can't be wrong

Gettin' it on, gettin' it on

Gettin' it on with my babyGettin' it on, gettin' it on

Me and you just can't be wrong

Gettin' it on, gettin' it on

Girl you drive me crazyIf you like, I just might go down for you

Kissing, all over your toes 'til

Ooo, you know from pleasures never known before

Just relax, I'll do the things that keeps you coming

Coming back, yeahGettin' it on, gettin' it on

A feeling that's good just can't be wrong

Gettin' it on, gettin' it on

Gettin' it on with my babyGettin' it on, gettin' it on

Me and you just can't be wrong

Gettin' it on, gettin' it on

Girl you drive me crazyGirl you got me high from every time you ride

Me around and round, around in you heart, yeah

You're my living one, deep as any ocean

When or wherever we are, I'll just love it when Gettin' it on, gettin' it on

A feeling that's good just can't be wrong

Gettin' it on, gettin' it on

Gettin' it on with my babyGettin' it on, gettin' it on

Me and you just can't be wrong

Gettin' it on, gettin' it on

Girl you drive me crazyGettin' it on, gettin' it on

Gettin' it on, gettin' it on

Gettin' it on, gettin' it on

Gettin' it on, gettin' it onGettin' it on, gettin' it on

A feeling that's good just can't be wrong

Gettin' it on, gettin' it on

Gettin' it on with my babyGettin' it on, gettin' it on

Me and you just can't be wrong

Gettin' it on, gettin' it on

Girl you drive me crazyGettin' it on, gettin' it on

Gettin' it on, gettin' it on Gettin' it on, gettin' it on
