

# Get to Know Me Better (Acoustic Version)

[Jackpierce](#)

I know you don't trust a thing  
That I say, that's okay  
You see things build and watch them end  
All I want is to be your friend Life is too short to play games  
Make false claims, live under chance so  
Build new things with our plans  
Slowly now give me your hand First I take a little then I give a lot to you  
And it breaks my heart to see you smile  
Every time I tell the truth Yeah, it's alright  
If you would only take the time  
To get to know me better Now you trust what I say  
Knew the day'd come soon enough  
So when you ask then you'll receive  
But you smile like you don't really believe First I take a little then I give a lot to you  
And it breaks my heart to see you smile  
Every time I tell the truth, oh yeah First I take a little then I give a lot to you  
And it breaks my heart to see you smile  
Every time I tell the truth Yeah, it's alright  
If you would only take the time  
Would only take the time  
To get to know me  
Time, to get to know me better Get to know me  
Get to know me  
Get to know me  
Get to know me
