

It's My Life (ESC Romania 2013)

Cezar

I can paint my world in blue
Love is so deep
And it makes my life complete
Like a mountain in the sky
Love is high, so high
It's my life and I know it's not forever
It's my life and I'll share it all with you
It's my life, we were meant to be together
I'll give my life to you
Love is so strong
In the heart where you belong
It's a dream, a desire
And is burning like a fire
Love is so deep
And it makes my life complete
Like a mountain in the sky
Love is high, so high
It's my life and I know it's not forever
It's my life and I'll share it all with you
It's my life, we were meant to be together
I'll give my life to you
I'll find my story and fight for my glory of love
It's my life and I know it's not forever
It's my life and I'll share it all with you
It's my life, we were meant to be together
I'll give my life to you
