

O Proskynitis

Alkinoos Ioannidis

Ta vouna pernao
Ke tis thalasses perno
Kapion agapao

Dio efxes kratao
Ke dio tamata krato
Perpato ke pao
Kapios ipe pos i Agaph s'ena asteri kathete eki
Avrio vradi th'ame eki
Kapios ipe pos o erotas gia mia stigmi krata
Avrio vradithane arga

Sta poulia milao
k sta dentra tragoudo
Kapion agapao
Ke otan tragoudao
Prosefxes paramilo
perpato
k pao

Kapios ipe pos o dromos ine i fleva tis fotias
Psixi mou panda na koilas
Kapios ipe pos taxidi ine mono i prosefxi
Kardia mou n'ase sondani

Kapios ipe pos i Agaph s'ena asteri kathete eki
Avrio vradi th'ame eki
Kapios ipe pos o erotas gia mia stigmi krata
Avrio vradithane arga
