In Your Hands

Charlie Winston

Mother
I've gotta get out of here
So I can save our family
From this poverty
And when I make my money
I'll send it back to youFather
Give me strength, I pray
I have to end this misery
It's causing too much pain
I'm gonna look for richer lands
Where the money's madeI'm gonna put my whole World
In your hands
I have to put my whole World
In your hands
In your handsMister
Please let me work somehow
You've kept me waiting 18 months
And still I'm not allowed
And every time you promise me
"Not much longer now"I've had to put my whole world
In your hands
I'm gonna put my whole world
In your hands
In your handsHey, hey, oho
Listen, listen to meMister! Mister! You say you're trying
But don't you know my brother's dying
You say "it won't be long"
But why am I so cursed
For where I am born?
I knowYou've got my whole world
In your hands
I've had to put my whole world
In your hands
I'm gonna put my whole world
In your hands
I've had to put my whole world
In your hands
In your hands
