

Sneaky Freak

Imelda May

I'm behind you,
I'm watching your back,
I'm gonna find you,
Looking every crack
I know your passwords,
I know you backwards,
I even search your clothes Cause I'm sneaky, freaky, yes I'm sneaky freaky!
Watch out 'cause I'm sneaky freaky!
Oh, I'm a sneaky freaky
Yeah, I'm a creepy sneaky freaky! What you're up to, 'cause I'm gonna find out his secrets, yeah,
I'm gonna find out what
You'll never know it was me Cause I'm a sneaky freaky!
Oh, I'm a sneaky freaky, watch out 'cause I'm a sneaky freaky!
Oh, I'm a sneaky freaky,
Cause I'm a creepy sneaky freaky! Oh, we loved to go by the
You're holding your phone and your iPhone You gotta feel something is not right,
You should be keeping an eye open at night,
When I open Is that something you saw?
I'm gonna fall, 'cause I'm above the law, Cause I'm a sneaky freaky, yeah I'm a sneaky freaky!
Watch out 'cause I'm a sneaky freaky
Oh, I'm a sneaky freaky,
Cause I'm a creepy sneaky freaky!
I'm a sneaky freaky,
Yes I'm a sneaky freaky,
Oh, I'm a sneaky freaky,
You yes, I'm a creepy sneaky freaky!
Yes! I'm creepy!
You I'm sneaky!
I'm freaky!
