## King Kill 33°

## **Marilyn Manson**

Play meIs this what you wanted? This is what you get Turned all your lives into this shit You never accepted or treated me fair Blame me for what I believe and I wear You fucked yourselves and you raised these sheep The blue and the withered seeds you will reap You never gave me a chance to be me Or even a fuckin' chance just to be But I have to show you that you played a role And I will destroy you with one simple hole The world that hates me has taken it's toll But now I have finally taken control You wanted so bad to make me this thing And I want you now to just kill the KingAn' I am not sorry, an' I am not sorry This is what you, you deserve I am not sorry, an' I am not sorry This is what you deserve An' I am not sorry, an' I am not sorry (King kill thirty three) This is what you, you deserve (King kill thirty three) An' I am not sorry, an' I am not sorry (King kill thirty three) This is what you, you deserve (King kill thirty three) King kill thirty three King kill thirty three
