Wild Ones

Bahari

We're laughing till we cry
to ourselves we lie
dance in the moonlight
I'm satisfied
Wake up to the sun
burning while we're young
set fire to our lungs
till what's left is noneWe're the wild ones
curious fools
trapped in flume
We're the wild ones
raised by the wolves
we howl to the moonooooooooohh
oooooooohhWar inside my mind
drowning in the tides
fighting for my life
I'm satisfied
Intoxicate my veins
make me misbehave
be my great escape
till we fade awayWe're the wild ones
curious fools
trapped in the flume
We're the wild ones
raised by the wolves
we howl to the moon
We howl to the moonooooooooohh
oooooooohhWe're the wild ones
curious fools
trapped in the flume
We're the wild ones
raised by the wolves
we howl to the moonooooooooooohh
