Rain

The Seatbelts

I don't feel a thing
and I stopped remembering
The days are just like moments turned to hoursMother used to say
if you want, you'll find a way
Bet mother never danced through fire showerWalk in the rain, in the rain, in the rain
I walk in the rain, in the rain
Is it right or is it wrong
and is it here that I belongI don't hear a sound
Silent faces in the ground
The quiet screams, but I refuse to listenIf there is a hell
I'm sure this is how it smells
Wish this were a dream, but no, it isn'tWalk in the rain, in the rain, in the rain
I walk in the rain, in the rain
Am I right or am I wrong
and is it here that I belongWalk in the rain, in the rain, in the rain
I walk in the rain, in the rain
Why do I feel so alone
For some reason I think of home
