Stay In Ya Lane

Teairra Mari

Another Dark Child classic
Teairra, wassup
Talk to 'em, talk to 'em
Whatchu want
Talk to 'em, talk to 'em
You gotta come up with a better game than that
Talk to 'em, talk to 'em
You know what? Just stay in ya lane
Let's go
Yes I, got a tight crew
So, yes I know what these jeans are doing to ya
Yes you, like how we move but
Just be careful, we don't start clowning you
Yes I, might give you a chance if your game is times four
(Four)
Might give you the sell if your backseat sits four
(Four)
Until I do, respect my whole crew and stay in your lane
I see you baby but stay in your lane
Take it easy, keep getting at me
But stay in your lane, I ain't easy
My frame is crazy but stay in your lane
Take it easy, you want me, but be easy
So look upon me, just stay in ya lane
Yes we, came in five coups
So, just be easy, it's the first time I met you
Yes, we're particular too, so, watch your mouth
Or bottles are flying at you
Yes I, came to play around and shut this place down
As fine as I am, I can't take this route
If your mouth is loose
You're with the wrong crew, we're gon' handle you
I see you baby
(Oh)
But stay in your lane
Take it easy
(Take it easy yeah)
Keep getting at me but stay in your lane
I ain't easy, my frame is crazy

(So crazy)
But stay in your lane, take it easy
(Easy)
You want me, but be easy
So look upon me, just stay in ya lane
I see you baby
('Cuz me and my girls came to have a good time baby)
But stay in your lane
Take it easy, keep getting at me
(And we don't need nobody getting out and poppin'
Thinking they're hot, just stop it)
But stay in your lane
I ain't easy, my frame is crazy
(I know you like what you see, but stay in your lane please)
But stay in your lane, take it easy
You want me, but be easy
(And I'm not gonna tell you no more)
So look upon me, just stay in ya lane
I'm not really trying to play you
But certain things I can't tolerate
(Tolerate)
Like a nigga up in my face
(In my face)
I really need my space so
I'll show you how you can get through
And most important stay in your lane
But you really can't play these games with me
(Ohh)
Ho ho ho ho ho ho ho
I see you baby
(I see you baby)
But stay in your lane
(Over there looking at me, but you're acting crazy)
Take it easy, keep getting at me
(And I know you don't know me)
But stay in your lane
I ain't easy
(So my nigga please)
My frame is crazy
(You ain't seen no chicks like these)
But stay in your lane
Take it easy
(You better stay in your place)
You want me, but be easy
(You better stay in your lane)

So look upon me, just stay in ya lane
(Oh)
I see you baby, but stay in your lane
(Your lane, take it easy)
Take it easy, keep getting at me
(Oh)
But stay in your lane
I ain't easy
(I ain't crazy)
My frame is crazy
(Yes it is)
But stay in your lane
Take it easy
(You want me)
You want me, but be easy
(Be easy)
So look upon me, just stay in ya lane
Ho ho ho ho ho ho ho
Just stay in your lane
Ho ho ho ho ho ho ho
Just stay in your lane
Just stay in your lane
