

There'll Be No Second Time

[Sam Cooke](#)

You done me wrong
I tried to be kind baby
'cause you told me you were mine o mine
But you walked out and left me behind
So there'll be no second time I was a fool to give my love
Cause you swore you'd love me
by the stars above
But you walked out and left me behind
So there'll be no second time
Go on laugh and have your fun
Let the good times keep rollin' on
There'll come a day
when you have to pay
for everything that you have done You can cry, you can rave
Try to show you love me
in a million ways
But you walked out and left me behind
So there'll be no second time Go on laugh and have some fun
Let the good times keep rollin' on
There'll come a day
when you have to pay
for everything that you have done
Listen to me
You can cry, you can rave
Try to show you love me
in a million ways
But you walked out and left me behind
So there'll be no second time There certainly will be
no second time
