High Tide

Holly Miranda

I know the way
When the time is right
I know to wait
Till the tide is highWe go on, we go onAnd anywhere you go
Is where you're always gonna be
You won't change a thing
By always blaming it on meWe go on, we go onI know, I know
The way, the way
The time, the time is rightWe'll go the way
We've known before
They'll give us tools
To fix the coreWe go on, we go onEverything you do
Is who you're always gonna be
And you can change it all
By only taking what you needWe go on, we go onI know, I know
The way, the way
The time, the time is rightI know the way
Now the time is right
I'll take a trip into the lightWe go on, we go onI know, I know
The way, the way
The time, the time is right
