Donâ€™t Go

Nouvelle Vague

Came in from the city
Walked into the door
I turned around when I heard the sound
Of footsteps on the floorLove just like addiction
Now I'm hooked on you
I need some time to get it right
Your love gonna see me throughCan't stop now don't you know
I ain't never gonna let you go
Don't go, don't go...Baby make your mind up
Give me what you got
Fix me with your lovin'
Shut the door and turn the lockHey go get the doctor
Doctor came to late
Another night I feel alright
My love for you can't waitCan't stop now don't you know
I ain't never gonna let you go
Don't goCan't stop now don't you know
I ain't never gonna let you go
Don't go, don't go...Came in from the city
Walked into the door
I turned around when I heard the sound
Of footsteps on the floorSaid he was a killer
Now I know it's true
I'm dead when you walk out the door
Hey babe I'm hooked on you, oh yeahCan't stop now don't you know
I ain't never gonna let you go
Don't go, don't go...
