

Why I Love You

Jay-Z

Ooooh

I love you so

But why I love you

Ill never knowOoooh

I love you so

But why I love you

Ill never knowOoooh

I love you so

But why I love you

Ill never knowOoooh

I love you so

But why I love you

Ill never knowPicture if you will, that the throne was burning
Rome was burning, and Im sitting in the corner all alone burning

Why does it always end up like this?

Something that we dont determine

Same people that I fought for

That I fight for, that I ride for

That I live for, that I die for

Be the reason that these niggas is alive for
and they want me dead

But Im so sorry but I just cant die for you

But I can make em put their hands in the sky for you

We waiting for the fireworks like July 4th

Get fly more, get high more, cry boy, why for?

When the grief is over, beef is over, Ill be fly when Easters over

I tried to teach niggas how to be kings

And all they ever wanted to be was soldiers

So the love is gone, Til blood is drawn

So we no longer wear the same uniform

Fu*k you squares, The circle got smaller

The castle got bigger, The walls got taller

And truth be told after all that said

Ni**as still got love for youOoooh

I love you so

But why I love you

Ill never knowOoooh

I love you so

But why I love you

Ill never knowOoooh
I love you so
But why I love you
Ill never knowOoooh
I love you so
But why I love you
Ill never knowShowed love to you niggas
You ripped out my heart and you stepped on it
I picked up the pieces, Before you swept on it
God damn this sh*t leaves a mess dont it
Sh*t feelin like death dont it
Charge it to the game, Whatever left on it
I spent about a minute, Maybe less on it
Fly pelican fly, Turn the jets on it
But first I shall digress on it
Wasnt I a good king?
(Maybe too much of a good thing, huh?)
Didnt I spoil you?, Me or the money, what you loyal to?
(Huh, I gave you my loyalty)
Made you Royalty and royalties
(Took care of these niggas lawyer fees)
And this is how ni**as rewardin me
(Damn)Ooooh
I love you so
But why I love you
Ill never knowOoooh
I love you so
But why I love you
Ill never knowOoooh
I love you so
But why I love you
Ill never knowOoooh
I love you so
But why I love you
Ill never knowBussin at me, b-b-b-bussin at me
But Im bullet proof, b**ch you cant get nothin past me
Got body armor (A ni**a gotta watch the throne)
And Im bussin back, So ni**as in a glass house should not throw stones What do you do when the love turns the
hate?
(Gotta separate from these f**kin fakes)
Caesar didnt see it so he ceased to exist
So the ni**a that killed him had keys to his sh*t
Am I my brothers keeper?
(Only if that ni**a dont creep up)
Got a pistol under my pillow

(Ive never been a deep sleeper)
P-p-p-paranoia
(Cause the nigga that said hell)
Blast for ya (Is now)
Blastin for ya, Thats an assassin for ya
(These niggas got a shot theyll shoot)
Please lord (Forgive him)
For these ni**as (Not know) What they, (Do) (Ooh)
