

Straitjacket

Alanis Morissette

Something so benign from me
 Construed as cruelty
 Such a difference between
 Who I am and who you see
Conclusions you come to of me
 Routinely incorrect
I don't know who you're talking to
 With such fucking disrespect
 This shit's making me crazy
The way you nullify what's in my head
 You say one thing, do another
And argue that's not what you did
 Your way's making me mental
How you filter askewed interpret?
 I swear you won't be happy 'til
 I am bound in a straitjacket
 Talking with you's like
Talking to a sieve that can't hear me
 You fight me tooth and nail
 To disavow what's happening
 Your resistance to a mirror
I feel screaming from your body
 One day I'll introduce myself
And you'll see you've not yet met me
 This shit's making me crazy
The way you nullify what's in my head
 You say one thing, do another
And argue that's not what you did
 Your way's making me mental
How you filter askewed interpret?
 I swear you won't be happy 'til
 I am bound in a straitjacket
 Grand dissonance
The strings of my puppet are cut
 The end of an era
Your dis-crediting's lost my consent
 This shit's making me crazy
The way you nullify what's in my head
 You say one thing, do another

And argue that's not what you did
Your way's making me mental
How you filter askewed interpret?
I swear you won't be happy 'til
I am bound in a straitjacket
